From EMR Settlement Limited

Purpose For information

ELEXON launches new EMR website: www.emrsettlement.co.uk

The [EMR Settlement website](http://www.emrsettlement.co.uk) will help EMR stakeholders understand the role and interactions of EMR Settlement Ltd within the EMR programme and, in the future, assist participants with what they need to do as part of the Contract for Difference (CfD) and Capacity Market (CM) components.

You can use the website to keep informed about the work EMR Settlement is doing including:

- the latest consultations
- news on changes which are likely to impact stakeholders
- information that requires stakeholders to review or action
- your FAQs and the latest developments

You can also subscribe to receive the latest EMR circulars via the EMR Settlement website. Please note, if you have already registered to receive EMR circulars via ELEXON, you do not need to subscribe again.

We will continue to expand online content to include useful information for generators, suppliers and capacity providers who are participating in CfD and CM, and will keep you informed as this develops.

If you have bookmarked the EMR section on the ELEXON website and now visit these pages you will find a redirect message directing you to the EMR Settlement website.

About EMR Settlement Ltd

EMR Settlement Ltd is a wholly owned subsidiary of ELEXON and has been appointed by the Department of Energy and Climate Change (DECC) as the EMR Settlement Services Provider. EMR is a high profile programme at the heart of government, and EMR Settlement is proud to undertake this role to act as Contract for Difference (CfD) Settlement Services Provider on behalf of the Low Carbon Contracts Company (the CfD Counterparty) (LCCC) and the Electricity Settlements Company (the Capacity Market settlement body).
