Purpose For Information

Update on User Acceptance Testing for the EMR Settlement System

This circular informs Suppliers and CFD Generators that their participation in User Acceptance Testing (UAT) for the EMR Settlement System will not take place in February 2015 as indicated in previous stakeholder engagement sessions, but will take place in March 2015.

We will provide further details on timings via a second EMR Circular next week (w/c 16 February 2015).

Who does this impact?

This impacts the following roles:

- Suppliers
- CFD Generators

What is the latest on when User Acceptance Testing will take place?

UAT will be taking place in February 2015, the element of UAT for Suppliers and CFD Generators to participate will take place in March 2015.

We will provide the precise dates as detailed above. Testing the Data Transfer Network (DTN) interface had always been indicated to take place in March 2015.

How will I be kept informed on User Acceptance Testing?

We'll communicate any future updates to Suppliers and CFD Generators via EMR Circular next week (w/c 16 February 2015).

Also, all updates will be available on the [EMR Settlement website](#), in both [EMR Circular](#) and [News](#) sections on the website.

Where can I get more information?

Find out more about our role in EMR on the [EMR Settlement website](#). If you have any further questions about this Circular, please email contact@emrsettlement.co.uk.
