### **CM Settlement Costs Levy Revision for Financial Year 2015/16 Backing Data Error**

This circular informs **Suppliers** that there was a data error in the backing data for the CM Settlement Costs Levy Revision for Financial Year 2015/16 that some Suppliers were issued. However, the associated invoices and invoiced amounts were unaffected by this error.

#### **Who does this impact?**

This impacts some **Suppliers** who were issued an invoice or credit note and associated backing data for the CM Settlement Cost Levy Revision for Financial Year 2015/16 on the 24 March or 4 April 2016. You do not need to take any action unless you would like to receive revised backing data.

#### **What was the data error?**

The backing data for the CM Settlement Cost Levy Revision for financial year 2015/16 contained incorrect Period Supplier Net Demand for Periods of High Demand volumes. The J1984 (Period Supplier Net Demand for Periods of High Demand) data group was incorrectly populated. All other metered volume data items were correct and unaffected. Furthermore, all invoices and invoiced amounts were correct and unaffected by this error. This error does not affect any other invoices.

The error has been resolved, tested and the fix has been deployed to the live system.

#### **How do I receive revised backing data?**
