Many **Capacity Providers** who have a Capacity Agreement for the **2017/18 Delivery Year** may need to complete some activities before the start of the Delivery Year.

[EMR Delivery Body](#), [Electricity Settlements Company](#) (ESC) and EMR Settlement Limited (EMRS) are hosting an hour-long webinar on **Thursday 8 June 2017 at 14:00** to explain the activities to be completed.

Through this webinar, Capacity Providers will get a better understanding of the activities they need to complete, including Metering Assessments, Metering Tests, DSR tests, registering with EMRS; and will explain the methods for submitting metered volumes to EMRS.
