## Capacity Market Stress Event Guide Published

On behalf of the [Electricity Settlements Company](#) (ESC), EMRS would like to inform **Suppliers** that following a consultation with Suppliers in March 2019 on the proposed Mock Stress Event guide, ESC has published the **Capacity Market Stress Event Guide**, which incorporates the feedback received from suppliers.

The Stress Event Guide has been developed by ESC in response to industry feedback received during the Mock Stress Event 2018 workshops.

The Capacity Market Stress Event Guide has now been published by ESC and can be found on the [ESC website](#).
