TYPE & NUMBER EMR Circular 202

Date 19 March 2020

Purpose For information

Temporary closure of our office to manage impact of COVID-19

To help manage the impact of COVID-19, EMRS staff are working remotely until further notice. We are doing this to safeguard the well-being of our staff. EMRS have robust business continuity plans in place for our teams and service providers.

Continuing to offer our full range of services

EMRS, on behalf of [Low Carbon Contracts Company](#) (LCCC) and [Electricity Settlements Company](#) (ESC) would like to reassure **Suppliers, CFD Generators** and **Capacity Providers** that we will continue to deliver the Settlement Services for Capacity Market and the CFD schemes while working remotely, and we do not expect closure of the office to result in any issues for our services.

LCCC and ESC have issued a Stakeholder Bulletin

On 18 March 2020, LCCC and ESC issued a [Stakeholder Bulletin](#) confirming the steps they have taken to manage the impact of COVID-19. In addition, they provided information on the following areas:

- Managing the CFD Supplier Obligation - implications for Quarters 1 and 2 and beyond
- Managing impacts on CFD Generators

For further details, you can locate the Stakeholder Bulletin on the [LCCC website](#) in the [Publication](#) section.
